

# Online Tee Times

Both members and nonmembers can use the Irish Oaks Golf Club Online Tee Time links. Irish Oaks Golf Club members should use the Members Tee Times link. Non Members should use the Public Tee Times link which offer the best green fee pricing available. In order to use this service (both members and non-members) must create an account. To create a member account, an email address and password are required.

## How to Make an Online Tee Time

**Tee times can be made 14 days in advance.**

Select the date you are interested in on the calendar.

The available tee times for that day and cost per-person (members tee time is \$0.00) will be displayed by Tee Time.

Select the Tee Time you would like by clicking 'Book Now'.

Select the Number of players (1-4).

Select the number of holes (9 or 18).

The screen will refresh and give you total cost information, service description, and Terms & Conditions.

PLEASE READ THIS INFORMATION and select 'I agree' box.

If you agree to the Terms & Conditions;

Click on the 'Create Account' button.

The screen will refresh – The Tee Time, Date, and Total Cost information will be displayed on the left side.

Enter required Information on the right side.

Click on the 'Reserve the Reservation' button.

The screen will refresh summarizing the Tee Time, date and cost.

Review all information and if correct, select confirm reservation. The screen will refresh and give you a confirmation number and summary.

You will also receive an email with the tee time information. You can forward this email to your playing partners.

[When making future tee times you just log in with your user ID \(email address\) and password.](#)
